Property Description

Located on Bali's northeast coast where local village life still retains a peaceful more rural feel, Siddhartha Oceanfront Resort & Spa welcomes guests to a more authentic Bali. With easy access to many of the cultural and nature-based activities that Bali is famous for, our boutique resort is surrounded by remarkable scenery under the shadow of the islands' sacred Mount Agung volcano and provides the opportunity to spend your days unwinding by the oceanfront swimming pool, indulging in ultimate relaxation at The Spa at Siddhartha, or direct access to world-class scuba diving and snorkeling.

Siddhartha Oceanfront Resort provides all the benefits of a boutique hotel and offers a full-service spa, well-equipped fitness center, sea view yoga studio, common-area oceanfront pool surrounded by a large sundeck and pool bar, open-air restaurant, and fully equipped SSI dive center, all spaciouly surrounded by beautifully landscaped tropical gardens. Whatever your purpose of visit, Siddhartha is an excellent choice for your stay in Bali.

At Siddhartha, free yoga classes for all skill levels are regularly offered in our sea view yoga studio, and the resort is an ideal starting point for cultural, sightseeing, or adventure excursions.

Offering a stunning oceanfront location with 30 freestanding bungalows and 2 private oceanfront pool villas, the entire resort is designed with the local environment in mind, retaining as many of the original trees as possible throughout our gardens- you may even find one in your bungalows' outdoor tropical bathroom! Mature plants, trees, and flowers abound throughout the property providing a lush tropical environment and an overall sense of space and seclusion.

All bungalows and villas are air-conditioned and provide a mini-bar and small fridge, electric kettle, in-room safety box, and complimentary access to Wi-Fi. Each en-suite bathroom has a hairdryer and custom-made toiletries, bathrobes, and slippers.
